

Dear friends,

The Nehemiah Partners of Sandusky (NPOS) are proud to sponsor the 10<sup>th</sup> annual **Young World Northcoast Streeball Tournament** July 10 – 12, 2009 at Jaycee Park in Sandusky, OH.

NPOS is an organization made up of individuals, churches, and businesses with a shared desire to bring about unity within our community, serve and work together, share God's love with each other, show God's love to our community. Pastor Tracy Shoemo and the members of Spirit and Truth Ministries (formerly Young World Ministries) have shared the blessing of hosting this event with NPOS for the last 2 years. For the 10<sup>th</sup> Anniversary we are pulling out all the stops making this the biggest and best tournament, yet. (More information is included in the tournament brochure)

For the last 9 years, this tournament has focused on serving the community, especially young people, emphasizing activity, unity, and faith. Proceeds have always been re-invested back into the community through programs that help young people better themselves. We're asking you to join us in influencing the lives of young people in a positive way by becoming a tournament sponsor and a Nehemiah Partner.

Please read through the tournament brochure. Not only can you learn about the tournament, but you can also learn about other programs, activities and events that are currently operated or are in development by The Nehemiah Partners of Sandusky. We are attempting to make **The Young World Northcoast Streetball Tournament** our primary fundraiser for the year. By becoming a sponsor of the tournament, you automatically become a sponsor of all Nehemiah Partner programs.

We hope that as you read through the tournament brochure, you will agree that our programs are a significant benefit to the community. Sponsorship has its benefits as well. Being a sponsor will provide multiple opportunities of exposure for your business or organization. An attached Sponsorship Information chart describes the various levels of sponsorship and the benefits associated with those levels. Also attached is a Sponsor Registration with instructions for completion and submission. If you have been a sponsor in the past, we are so thankful for your support and look forward to having you onboard again this year. If you have never had the opportunity to be a sponsor, we are excited to welcome you aboard as we all work together to fulfill our motto, "Restoring the Community One Relationship at a Time."

God's Blessings
